Dear (First Name),

Thank you for the generous financial support you've given the United Way of Calgary and Area already this year. Your gift has helped to directly connect almost 700 local families in crisis with the United Way-funded programs they so desperately needed. We cannot thank you enough.

This year your support means more to us than ever before. In these tough economic times, it is a constant challenge to ensure that we can be there for everyone who counts on the United Way.

To be there for people like Elizabeth.

Elizabeth is very grateful to you. Because of your support of United Way this year, she was able to walk away from a life of domestic abuse.

For many of us, it can be hard to imagine what living with abuse really means

Imagine living in fear of a husband whose rage is provoked by almost anything; leaving the milk on the kitchen counter, putting dinner on the table "too late," even paying for the gas with the "wrong" credit card.

Imagine physically protecting your children from him. And imagine, time after time, finding your five-year-old son crying under his bed, shaking with terror because "Daddy will be home soon."

(please see over...)
